The above table displays FY15 gifted expenditures by district typology. Gifted expenditures are defined as expenses coded to the function codes below. All data is self-reported by each school district and is not verified by ODE staff or district staff as representing the total amount of expenditures for gifted education at each district. 48 schools reported \$0 in gifted expenditures. Gifted expenditures made by an Educational Service Center (ESC) on behalf of a traditional district are reported separately.

Expenditure Definitions

1210 ACADEMICALLY GIFTED: Services for the social learning experiences for pupils identified as being gifted or talented in areas such as the following: cognitive ability, specific academics, visual or performing arts, and creative thinking.

1211 - Gifted Identification: Services for the identification of gifted students.

2230 GIFTED SUPPORT SERVICES: Activities and services that support gifted instruction.

2231- Gifted Education Coordination Services: Activities and service associated with the coordination of services for gifted students.

2232 – Gifted Training Services: Those activities designed to contribute to the professional or occupational growth and competence of gifted intervention specialists during their service to the school district or school. Workshops, demonstrations, school visits, courses for college credit, sabbatical leaves, and travel leaves are among those activities.
