Criteria for Identifying and Recognizing Schools, Districts, and Other Educational Providers

Ohio Administrative Code 3301-51-15 (I)(5)

The [Gifted Advisory] Council shall:

“Establish criteria for identifying and recognizing schools, districts, and other educational providers that demonstrate an exemplary ability to serve students who are gifted.”

Review Discussion Question #1

- Small group discussion during November meeting:

What are the features of quality gifted education programming?

Review Discussion Question #2

- Small group discussion during November meeting:

How does the variety of settings (continuum of services, district typology, service provider, etc.) impact the identified features from Question #1?

Discussion Question #3

- Discuss in small groups:

What recognition categories should be established?

- Take notes on the chart paper provided.

Discussion Question #4

- Discuss in small groups:

How should the awards be determined?

- Take notes on the chart paper provided.
