Criteria for Identifying and Recognizing Schools, Districts, and Other Educational Providers

Ohio Administrative Code 3301-51-15 (I)(5)

The [Gifted Advisory] Council shall:

“Establish criteria for identifying and recognizing schools, districts, and other educational providers that demonstrate an exemplary ability to serve students who are gifted.”

Discussion Question #1

- Discuss in small groups:

What are the features of quality gifted education programming?

- Take notes on the chart paper provided.

Discussion Question #2

- Discuss in small groups:

How does the variety of settings (continuum of services, district typology, service provider, etc.) impact the identified features from Question #1?

- Take notes on the chart paper provided.
