The Ohio Association for Gifted Children is proud to present the 24th Annual OAGC Teacher Academy. The Teacher Academy offers a good blend of practical and research-based sessions for gifted intervention specialists and regular classroom teachers. This year, the OAGC Teacher Academy will be held on February 23rd and 24th, 2026. The academy will offer a variety of live and recorded sessions over the two days, featuring national, state, and local experts. Our keynote speakers this year are Stephanie Higgs (Little Miss Gifted) and Dr. Carrie Simpson. A full list of session speakers and descriptions, along with this registration form, will be available at www.oagc.com in January 2026.

The conference will begin at 9:00 a.m. and end at 4:00 p.m. each day, though all sessions will be recorded and available for asynchronous viewing for up to 90 days after the conference. CEU credit certificates for up to 15 contact hours will be issued by the OAGC, based on the participation of attendees. Certificates can be transferred to your local LPDC for proper CEU credit.
